### Big Blue Squid

Big Blue Squid has launched a partnership with the **ISPCC**, Ireland's leading independent children's charity. The partnership will raise vital funds for the **ISPCC** enabling the charity to reach out to and support thousands of Irish children currently facing adversity in their lives. Pictured at the launch of their new partnership are Anne Cooney, **ISPCC** Corporate Fundraising Manager and Mike Thompson, Big Blue Squid Director.

Big Blue Squid will support the **ISPCC** by making a donation of €100 to the **ISPCC** for every training course Big Blue Squid operates in the Republic of Ireland.
